

ERRATUM

TERUEL, R. & C. A. RONCALLO. 2007. A new species of *Tarsoporosus* Francke 1978 (Scorpiones: Scorpionidae: Diplocentrinae) from northeastern Colombia. *Euscorpius*, 62: 1–8.

Page 7 (key to the species of *Tarsoporosus*): due to a writing error in the key entry leading to *T. macuira*, the tarsal spine formula was given as 3–4/3–4 : 4–5/4–5 : 6–7/6–7 : 6–7/6–7, which in fact corresponds to *T. flavus*. The correct formula is 4/5 : 5/5 : 6/6 : 6/6, as stated both in the species diagnosis (page 2) and holotype description (page 6).
