

The 2018 Science Blitz was Awesome! The [Physics Department](#) welcomed K-12 students and families to the College of Science “Science Blitz” in the Science Building on March 31st, 2018 to ride the Hovercraft built [by Dr. Sean P. McBride](#). Thank you to [Society of Physics Students](#) Emily Sutherland (SPS president), Josh Mason, Chase Preston, and hovercraft veteran and SPS member Noah Jarvis for helping to make the hovercraft event possible!!
